

# We need your help planning the creation of a community garden

in the town of Winchester.

We are establishing a planning committee dedicated to the creation of a community garden.

# WINCHESTER COMMUNITY GARDEN

The proposed Winchester garden would be modeled after those currently in operation in adjacent communities—including Presque Isle, Mercer, and Manitowish Waters.

Scott and Elizabeth Logan on Harris Lake have volunteered to be organizers.

Volunteers with expertise in gardening, fund-raising, legal, web page development, accounting and/or construction are asked to confirm their interest in serving on a planning committee to **Scott and Liz by phone 480-353-6880 or e-mail [slogan52@aol.com](mailto:slogan52@aol.com).**

*Anyone who wants the opportunity to reserve a garden plot and provide general labor or initial financial support are also asked to contact Scott and Liz.*
